## **WHAT IS COMMUNITY RELIEF?**

This ministry began as way to help the church reach out to the community in a tangible way, through service projects. We believe that meeting people in their need is a great way to open the door to the Gospel in someones life. Our desire is to be the facilitating instrument that God will use to empower His Body (the local church) to reach out and become missionaries to their local communities. We meet with homeowners, evaluate their needs, gather the needed materials and then provide the local churches with the opportunities to meet those needs.

We strive to host annual IGNITE events in communities, as a way of awaking the passion inside the local believers to reach out to their neighbors with the Love of Christ. Throughout the year, we continue to meet with homeowners, providing "jobs" that are posted on our website and available for the local church to complete. These "jobs" then provide the opportunities for the local body of believers to become missionaries to their communities, as they share the Love of Christ, by meeting the needs of their neighbors.

Community Relief is a ministry of Union Chapel Missionary Church.

## **FINANCIAL SUPPORT:**

As with any outreach, there are financial needs associated with our ministry. We strive to lay our financial needs before the Throne of Grace and allow God to provide what we need. We do, however, feel that we should not neglect to make our needs known to those who would like to participate. In order for an Ignite event to be completed, we need finances for food, materials, shirts, tools, etc. We ask that you would join us in petitioning our great Provider to meet all of these needs.
