

Women's Ministry

@ Ludlow Falls Camp

Regional Service Opportunity

Every spring our flowerbeds at the Regional Campground (Ludlow Falls) need attention. The current needs are cleanup and planting more perennials. Of course, there are always weeds that need pulled and bushes that need trimmed! As for the perennials, we can use what you divide out of your beds, or we will accept newly purchased plants. We would love your help with these activities! If your women's group is looking for a way to serve the region, this can be an option for you. If you're interested, please contact Jennifer Artz (937-418-9746) and she will help you set that up.

Camp Meeting

July 20-27, 2024

Missions Day with a Panel of Missionaries

Thursday, July 25th @ 2:30 pm in the Ministry Center

Come for a time of fellowship and hearing from the missionaries that are currently on the campgrounds. This will be for everyone interested and not just for women. Please join us!

Donations needed for Treats & Treasures Store

Every year the Committee raises money through the Treats & Treasures Store by selling a variety of items. The money raised through these sales are put back into the camp (example: The money raised last year is being used to improve the playground area outside the Ministry Center). We are looking for handmade items to sell through the Treats & Treasures Store. We are also looking for monetary donations to purchase items. If you are interested in donating, please contact Jennifer Artz at 937-418-9746.

**We are open to any and all suggestions, ideas, concerns and thoughts.
Please contact any of us with what you have to share!**

Regional Women's Ministries Committee: Betsy Berger (betsy.berger73@gmail.com), Donna Kephart, Jennifer Artz, Josie Hicks, Sue Dukes, Janine Cooper, Christine Butorac
